LIBRARY SATISFACTION SURVEY
2019 RESULTS

ABOUT THE SURVEY

We asked staff and students what they thought about the quality of our Library services and spaces. We listened to this feedback and have used it to guide us in planning for the future shape of the Library.

For two weeks every second or third year, the Library conducts the survey. It was last completed in September 2015, and most recently in May 2019.

The Flinders University Library ranks in the first quartile of 27 benchmarked university libraries.

This brochure outlines the key findings and the actions planned by the Library in response to the feedback and as part of the Library’s strategy of continuous improvement.

THIS IS WHAT WE HAVE PLANNED

- Increase group study spaces at 24/7 Central entry zone (end 2019)
- Replace worn task chairs at all libraries (CIP funds allocated 2018)
- Extend 24/7 areas at Sturt and Medical Libraries (CIP bid 2019)
- Upgrade equipment in group study spaces at all libraries (CIP bid 2019)
- Needs more planning: Interactive media technology, media labs, additional power-points
